

Alderman James A. Balcer & City of Chicago

**Invites you to
Participate in
Chicago's Citywide
Clean & Green**

**Saturday, November 8, 2014
Volunteer Clean-Up**

On Saturday, November 8th, we can make a difference in our community by volunteering our time and effort to take part in Chicago's City wide Clean and Green Day of Service.

Come one, Come all to help clean our community. The 11th Ward and the Department of Streets and Sanitation are asking community groups and neighbors to participate in our fall clean-up. The City will provide the bags, rakes, shovels, and brooms needed, if we provide the volunteers to help.

Let's make a difference in our neighborhood.

To register or for more information,
please call the 11th Ward Office at 773-254-6677.
